Soar Into Books!

A special opportunity for students

Don't just book an author visit, book a learning adventure your students will never forget! Through large group presentations and smaller, interactive workshops, authors Nancy Roe Pimm and Carmella Van Vleet will ignite students' interest in reading, writing, and history.

A typical day begins with a large group presentation where Carmella discusses her writing process and the need to revise and never give up. At the end of the day, Nancy closes with a talk about her writing journey and the importance of believing in yourself and following your dreams. In between, Carmella and Nancy meet with groups for grade-appropriate workshops.

Honorarium for the program is \$1,500 (\$750 for each author) for a full day visit, plus travel expenses when applicable.
